

## Color Laser Multifunction Printer

For your home and home office customers who need a compact yet high quality color laser multifunction for printing, copying, faxing, and scanning.

- Reproduce images that are true to the original with Superior Color Imaging technologies
- Increase desk space with the MF8050Cn's compact yet versatile design
- Replace only one consumable per color without a mess using the Single Cartridge System

### Superior Color Imaging

Capture finer details with remarkable tone-on-tone clarity. Pure Black Technology ensures the richest blacks by utilizing only the black toner to print black text. Auto Gradation Adjustment System helps to produce consistently excellent color output by automatically adjusting to the changes in the environment.

### Compact Design & Energy Efficiency

Help your customers free up their desk space with the MF8050Cn's compact design. Efficient 3W energy saving mode may help to save money on energy bills.

### Built-in Networking

Share the MF8050Cn easily with built-in Ethernet connectivity. Customers can network the MF8050Cn for printing, PC faxing, and scanning (PC only).

### Improved Usability & Maintenance

Complete tasks easily with the large 5-line LCD. On-screen animations assist customers with tasks such as changing cartridges. Eliminate messy toner changes and difficult maintenance with the Single Cartridge System. Toner, drum and imaging unit are in one consumable that provides consistent output quality.

### High Performance

Print monochrome documents at 12 ppm or color documents at 8 ppm. Transmit documents quickly with the Super G3 fax, including 19 one-touch speed dials and a 512-page fax memory.<sup>1</sup>

### Toner

Cartridge 116 (Cyan, Magenta, Yellow, Black)

- Black (Yields approximately 2,300 pages based on ISO/IEC Standard)
- C/M/Y (Each cartridge yields approx. 1,500 pages based on ISO/IEC Standard)
- Starter Cartridges Included

### Accessories

Optional Wireless Print Server (C-6700WG)<sup>2</sup>

### Operating System

Windows® 7, Vista, XP, 2000, Server 2008<sup>3</sup>, Server 2003<sup>3</sup>

- (USB & Network: Print/PC Fax/Scan)

Mac® OS X 10.4.9 – 10.6

- (USB: Print/PC Fax/Scan, Network: Print/PC Fax)

Environmentally Conscious

### SALES TIP!

Print a **color** demo page:

1. Press the **"COPY"** button on the MF8050Cn.
2. Press and hold **"#"** for approx. 2-3 sec

- **Toner Cartridge Recycling Program** - Canon toner cartridges are 100% recovered with zero landfill waste.
- **Energy Saving Mode** - When the imageCLASS MF8050Cn enters the Energy Saving Mode, it has a low power consumption of 3 watts of energy.

## Why Choose the MF8050Cn

### Over the HP LaserJet CM1415nfw

- Capture fine details with remarkable tone-on-tone clarity, thanks to Canon Superior Color Imaging Technologies.
- Scan on the go without a computer by scanning to a USB flash drive.
- Reduce energy consumption with 3W usage in Energy Saver Mode.

### Over the Brother MFC-9320CW

- Achieve consistent quality and replace less consumables with the Single Cartridge System.
- Copy, Scan, or Fax multi-page documents more easily and quickly with a 50-sheet Automatic Document Feeder (ADF).
- Reduce energy consumption with 3W usage in Energy Saver Mode.
